

Message to Local Presidents

Despite the recent court ruling, NSEA is moving forward to gather signatures on The Education Initiative petition. Any signatures you and your members have gathered will be very much appreciated in this effort.

This is a reminder that we need any signed and NOTARIZED petitions sent to the attention of Debbie Cahill in the Las Vegas office by November 1st. If it is more convenient for you to take petitions to the Reno office, please turn them in to Dawn or Mary. Although the deadline to turn the petitions in to the county clerks is not until November 13, we need time to verify signatures, get an accurate count and process the petitions for the turn in.

The address for the Las Vegas office is:

Nevada State Education Association

3511 E. Harmon Avenue

Las Vegas, NV 89121

We will be happy to reimburse you for any costs you incur in returning the petitions to us. If you wish to be reimbursed, please notify Debbie Cahill and she will send you a voucher. Please retain your receipts to include with the voucher.

Thank you for your support and your efforts in this cause.

Sincerely,

Lynn Warne
